

B. C. Ross  
Mayor Of Makanda  
P. O. Box 1  
Makanda, IL 62958

---

September 17, 2002

Dr. Walter V. Wendler, Chancellor  
SIU-C  
Mailcode: 4304  
Carbondale, IL 62901

Dear Chancellor Wendler,

On September 7, 2002, the Saluki Volunteer Corps sponsored a "Day Of Service" when SIU-C students joined together to assist in picking up litter on the SIU-C campus and in the City of Carbondale. As an extension of this service program, the Village of Makanda was a recipient of the efforts provided by the student participants.

As Mayor of the Village of Makanda, and on behalf of the Village residents, I want to thank the following SIU-C staff and student volunteers for their generous contribution toward improving the environment of our rural community:

Paul Restivo, Director, Center for Environmental Health and Safety, SIU-C  
Mythili Rundblad, Coordinator, Saluki Volunteer Corps, SIU-C  
Lynette Adams, Student Volunteer, SIU-C  
Michelle Harwerth, Student Volunteer, SIU-C  
Tammi Skalitzky, Student Volunteer, SIU-C  
Nathan Uchtmann, Student Volunteer, SIU-C

These individuals, in conjunction with the resident participants, have demonstrated to our Village that they are truly public-spirited people by freely donating their time to improve the area's environment. We commend them for this and look forward to a continuing relationship between the SIU-C campus community and the Village of Makanda.

Sincerely,

B. C. Ross  
Mayor, Village of Makanda
